Mid & small companies honoured

16.11.2015

Group MD of Signature International Bhd Tan Kee Chong won the Best CEO award at the inaugural Best Under Billion Awards 2015 held in Kuala Lumpur on Nov 6.

Tan has been instrumental in the growth of the company since it was established in 1994. The Signature brand is synonymous with the distribution of modular kitchen cabinet designs.

Also honoured were 14 companies in seven categories, namely Best Revenue Growth, Best Net Profit Growth, Best Return on Assets, Best Dividend Yield, Best Enterprise Growth, Best Cashflow from Operations, and Best in Transparency.

The awards have been created to recognise the best mid-cap and small cap companies – essentially those whose market capitalisation on Bursa Malaysia is under RM1 billion.

The biggest winner of the night was OSK Property Holdings Bhd. It posted a cumulative annual revenue growth rate of 45.8% for the last three financial years to take home the Best Revenue Growth prize. It also won the Overall Winner trophy.

The award ceremony was hosted by Focus Malaysia, a publication under the HCK Media Group.

Minister in the Prime Minister's Department Datuk Paul Low was the guest of honour. He also delivered the keynote address. Also present were Bursa Malaysia CEO Datuk Tajuddin Atan, HCK Media CEO Hng Hung Yong and Focus Malaysia senior editor-in-chief Chong Cheng Hai.
