Signature Kitchen, the market leader in the local kitchen furnishing industry, has launched its newest concept retail showroom in Puchong. Setting the benchmark for a new retail experience for home-owners, the new 6,000sq/ft Signature Lifestyle Gallery is located in a three storey boutique bungalow at THE CUBE.

The new gallery carries a range of different kitchens designed based on Signature Kitchen's philosophy of complementing home-owners' lifestyles and not just offering a product. Showcasing a wide range of local and imported kitchen and wardrobe systems, the gallery space is divided into zones to represent the lifestyle brands that Signature proudly carries, among them Biefbi Cucine Gallery, Signature Wardrobe Gallery and Mazzali Gallery.

The grand opening was attended by over 100 people, including Signature Lifestyle managing director, **KC Tan**, and Signature Lifestyle sales director, **KS Lau**. Guests were later treated to fusion cuisine dished up by Asian Food Channel celebrity **Chef Johnny Fua** and **Chef Victor Siow**.
